

OHS Policy Statement

Commitment to OHS

We are committed to the occupational health, safety and welfare of all employees, contractors and visitors to our workplace. We will comply with the Occupational Health & Safety Act and Regulations as far as is reasonably practical.

Occupational Health & Safety Programmes

We know the importance of continuing to develop OHS policies and procedures for our employees and those visiting our workplace. We aim to cover all areas of occupational health and safety in our workplace. We will develop them in order of priority.

OHS Consultation

We have agreed on our consultation arrangements with our employees. We encourage input from our employees in all areas of OHS through our consultation process.

Management Responsibilities

We will promote, maintain and contribute to the OHS of all persons in our workplace. We will identify hazards, assess risks, eliminate or control risks and review the effectiveness of our OHS policies and procedures on a regular basis.

Employees

Our employees co-operate in OHS policies and procedures to ensure their own health and safety as well as other persons in the workplace.

Contractors and Sub-Contractors

All contractors and sub-contractors who perform work for us, either on our premises or at their own workplace, are required to comply with the OHS Act and Regulations. Contractors are required to complete a Contractor's Compliance Statement when requested by us.

This policy will be reviewed in 12 months or when changes are made to the OHS Management System.
